

Registration for the Ireland Trip 2020 is now available!

Items you need to be aware of before and while registering for this once in a lifetime event.

1. This is a school event and all rules apply to ALL travelers, students AND adults. There will be absolutely no drinking of alcohol or any type of smoking on the trip by students or adults whether chosen as a chaperone or not. If you cannot refrain from these activities for the duration of this trip, then please do not register!
2. You are representing the Grissom High School Band, Grissom High School and Huntsville, Alabama. We will not tolerate any inappropriate behavior from students or adults while traveling on any trip. You will have saved and paid a lot of money for this experience so please do not spoil it for yourself and the band. We do want to be able to offer these experiences in the future.
3. There is a non refundable deposit due on July 2nd of \$200.00. Then 8 payments due every 2 months with the final balance due January 3, 2020. This comes out to approximately \$150.00 a month. Remember this far out that prices can change and probably will so the final balance could be more or less than the monthly payments. Budget carefully and save, save, save!! You can mail checks if you wish to avoid the 2.2% credit card fee. When we have specific Ireland fundraisers where credits are given to students, we will figure out the credits and mail one check to Gateway and they will distribute credits to the student's MyGateway account.
